ADDENDUM:

New policy guidance has been issued by the SC Department of Employment and Workforce. Staff from the Greenville County Workforce Development Board and Upstate Workforce Board are working to update R17-06 to be in compliance with the new policy. In the meantime, we want to ensure that employers and their workforce have access to available funding. We plan to incorporate an additional option for rolling grant awards into our next policy amendment. Until such time as the guidance is issued, SC Works Greater Upstate Business Solutions staff may issue Incumbent Worker Training grant awards on a rolling basis as applications are submitted and reviewed. All applications to be funded must meet minimum requirements as outline in WIOA R17-6 Amendment 3 and receive approval from the GCWDB or UWB before funding.
